So do we.

You're our most important partner.
And when you send us your address, we'll back you with:

Years of growing productivity.

We'll keep you posted with news and information that can make you a more productive developer. You'll get answers to your technical questions, on CompuServe® or on the phone. Plus invitations to technical seminars and workshops for tips and tricks.

The latest improvements.

Including special announcements *and* prices for the newest, hottest versions of your product, plus many others.

Answers when you need them.

Just type GO MSCON on CompuServe, or call (206) 635-7007, to get technical support for Microsoft languages. And for other questions, call (800) 227-4679 and choose the developer resources option.
